

Press Release

East Middle School Google Slam 2.0 March 8 5:30 - 7:00 pm

East Middle School is hosting a Google Slam 2.0 in their building on Thursday, March 8. They will be serving food at 5:30 pm, and Slam demonstrations will start at 6:10 pm and end around 7:00 pm. Google Slam is a Student led collection of 7 minute student-led demonstrations that exhibit the variety of technologies students use at EMS including Kahoot, Desmos, Quizizz & Slides, English IXL, Promethean Board Jeopardy, CoSpaces (Virtual Reality) and more!

This event is open to the community, and they would love to have everyone see the technology students use every day in the classroom. EMS is a 1-to-1 School, meaning that every student is furnished a Chromebook (laptop) that is the primary tool being used in classrooms. Most assignments are accomplished online and submitted through Google Classroom or other web-based servers.

The first Google Slam was in October. Google 2.0 will cover deeper more complex uses of the technology.
