East Middle School Student Council Members Attend OAMJHSC

East Middle School Student Council members recently attended the Oklahoma Association Middle Junior High Student Council (OAMJHSC) in Poteau, Oklahoma. Members listened to many inspirational speakers, including Alton Carter and Jet McCorry. These speakers taught about leadership skills, character, drive, and goal setting.

East Student Council members Kalyn Delaney, Haylee Willaford, and Madi Jernigan reported, "One of the many lessons we learned was that we will have failures in our lives. Let us explain that in order to succeed, you have to fail first. If you never fail in life, then you never take risks. Failure also builds character."

"Building character is an important aspect of being a good leader, being able to work with others, and having a positive attitude. A good leader will learn to include and inspire others. Leaders create leaders."
