

East Middle School Hosting Google Slam

East Middle School is hosting a Google Slam in their building on November 9 from 5:30 p.m. – 6:30 p.m. Google Slam is student-led presentations that highlight and demonstrate the different technology programs used in the classroom every day.

The presentations will be short (7-10 minutes), and each visitor will have the opportunity to view multiple presentations. Student Council members will be available to assist visitors to the classrooms. The entire community is invited.
