

PRESS RELEASE

Third grade students at Liberty work on team building through cooperative learning and practice using the three Liberty pillars: Being Respectful, Thinking First, and Showing Integrity.

Saving Sam - Being Respectful - Students are concentrating on team building by using encouraging and kind words by being respectful, taking turns, and building relationships to save Sam. Sam must get a gummy lifesaver around him and into the boat before drowning. Students cannot use their fingers, but instead have two paper clips and a straw.
