PCPS HOSTING WILDCAT ATHLETIC SITE SPIRIT NIGHTS AGAIN THIS YEAR

In an effort to continue promote school spirit and provide all students a glimpse of extra-curricular activities, Ponca City Public Schools will be hosting Wildcat Athletic Site Spirit Nights again this year.

The difference between this year and last year is that it will begin with the fall sporting season and the Site Nights will be spread a little further apart. Sports featured will be: Football, Softball, and Volleyball. Cross Country couldn't be included because of seating logistics; however, Coach Degan and some Cross Country athletes will be going to schools to talk to students about the sport.

The schools selected for this season were chosen randomly. Students and one adult will be admitted to the event free of charge on their Site's Spirit Night. Arrangements will be made for coaches, the Athletic Director, and other school officials to visit sites to promote these events.
