Po-Hi FCCLA and FOR Clubs Support Po-Hi Pride Initiative

Ponca City High School FCCLA (Family, Career & Community Leaders of America) and FOR (Friends of Rachel) Clubs are supporting the initiative started by Principal Thad Dilbeck called Po-Hi Pride. Po-Hi Pride is a new activity to help keep the school grounds from Overbrook to Brookfield and 5th to 7th Street clean from trash and debris.

Po-Hi counselor Terri Calhoun explained, “This is the Ponca City High School clubs and organizations attempt to help keep our city clean. With 25 clubs and organizations in the high school, it is believed that if we combined our efforts, we can help keep our part of the city clean. The first club to participate was the Ponca City High School Student Council. Mr. Dilbeck has requested other Ponca City High School clubs and organizations join the efforts.”
