## Po-Hi Offering PSAT Exam on October 16

Ponca City High School is offering the PSAT test to Juniors and Sophomores on October 16. **The deadline to register for the test is September 13.** Contact Ms. Easley at [easleb@pcps.us](mailto:easleb@pcps.us) or (580) 718-4807 for more information.

This year, the Ponca City School district is covering the entire cost of the test for up to 100 Po-Hi students. Homeschooled students are welcome to take the PSAT at Po-Hi but must cover the \$20 test fee.

Registration for the PSAT is online; Po-Hi students will access the registration link through their school email. Homeschooled students should email Ms. Easley for the link.

The PSAT connects students to more than \$235 million in scholarships, including the National Merit® Scholarship Program, and can indicate which AP courses students are ready to take.
