

Ponca City Aviation Foundation Donates Funds To Ponca City Public Schools

The Ponca City Aviation Foundation has donated a \$500 Walmart gift card to all Ponca City Public Schools to be used for classroom supplies, clothing or other student needs. The organization has given this gift to the schools for several years.

The letter from the Ponca City Aviation Foundation stated in part, "The mission of the Foundation is to help children of the Ponca City area by donating to organizations and efforts that service our goals. Our organization focuses its resources on the youth of Ponca City and the north central Oklahoma region. The money we provide is derived from the fly-in breakfasts we host on the first Saturday of every month at the Ponca City Regional Airport."

All PCPS school principals expressed appreciation for their gift. "We are so thankful for the donation that the Ponca City Aviation Foundation has given us," said West Middle School Principal Trenton Murner. "It will greatly benefit the students of West Middle School!"

Liberty Principal Jennifer Martinez said, "Liberty is very appreciative to receive the Ponca City Aviation Foundation's donation of a \$500 gift card to Wal-Mart each year. We use the funds to provide student needs such as shoes, socks and clothes."
