## **Ponca City Public School District Announces March “You Inspire Me” Recipients**

Lincoln student Rose McCabe was the student recipient of the district’s “You Inspire Me” project for the month of March 2018. Lincoln principal Liz Hargraves, teacher Lindsay Burkhalter and Superintendent of Schools Shelley Arrott surprised her during one of her classes to present her with the honor.

Po-Hi science teacher Wade Scott was the certified selection this month. High school principal Thad Dilbeck & Shelley Arrott presented him with the award.

The support personnel recipient was Louisa Williams, secretary at Roosevelt Elementary. Roosevelt principal Ronda Merrifield & Superintendent Arrott presented her with the special honor.

The Ponca City Public Schools “You Inspire Me” project was created to recognize dedicated students and employees who continue to motivate and make a difference on a regular basis. Each month, the district surprises one student, one certified employee, and one support employee to let them know how they are an inspiration to Ponca City Public Schools. Congratulations to this month's winners!
