

Roosevelt Elementary has been celebrating learning all week!

During this week's testing, they held several "Celebration of Learning" events. They prepared a big breakfast for 3rd - 5th grade students and had a "Send Off to Success" during their morning assemblies all week. Keri Bartley, Title I Teacher at Roosevelt said, "We believe that state testing should truly be a celebration of what students have learned - not a time for stress and anxiety. The 'Celebration of Learning' and 'Send Off to Success' is something that Roosevelt has been doing for the last 10 years and is something students truly get excited about. The little ones even look forward to being able to do it when they get older."
