

PCPS Support Staff Recognized and Celebrated at Back to School Assembly

Superintendent Shelley Arrott is shown in the picture giving Child Nutrition employee Cheryl Sitterly a hug and presenting her with a bouquet of roses for being the support employee with the most years in the district – 37! All support staff were recognized for their years of service with a paw print pin indicating their years of working in the district in five-year increments.

Wildcat Steppers, Cheerleaders and Big Blue Band performed and celebrated PCPS support employees at the Support Back-to-School Motivational Assembly held on August 15 in Robson. A similar agenda was followed as the certified staff assembly celebrating raises, facility improvements, community support, and a revised school calendar. Superintendent Arrott told employees the Board of Education approved restoring last year's step raise plus a step for this year. Employees responded with clapping ovations to each celebration including receiving free Team PCPS t-shirts funded by local donor.

“An organization is only as good as its team,” said Arrott. “We want you to know that we value you and appreciate all the hard work you do to help provide the best educational environment for our students. Let's have a great year!”
