Trout Students Hold “No Empty Bowls” Pet Food Drive

Trout 5th grade students sponsored a pet food drive at Trout Elementary School to help the Ponca City Humane Society. They named the drive “No Empty Bowls Pet Food Drive.” Students had a week to bring dry, unopened cat or dog food to the gym. The students were able to donate 133 pounds of pet food to the Humane Society. The food was picked-up by Kim Martin (Development and Community Engagement Coordinator), Mascot Reggie, and Lisa Hinch (Ponca City Humane Society Board member).
