

Press Release

West Middle School Enrollment Opens for 2018-2019

The window for course selection for West Middle School for the 2018-2019 school year is open from now until April 22, 2018. Enrollment is open for all 5th grade students going into 6th grade and for 6th grade students going into 7th grade. During this time students and parents will have opportunity to make course selections for the upcoming year. All course requests will be completed online.

Students will login to PowerSchool and make their selections at school. Parents are encouraged to login to either Parent Portal or to their student's account to verify what the student has chosen. You can login at <https://powerschool.pcps.us/public/>. Student username and password is their Google login information from school, and parents can access using their Parent Portal information. After login, click "Class Registration" in the left hand column.

For questions, contact the West Middle School office at 580-767-8020.
