West Middle School Transition Orientation

All PCPS students going into the 6th grade are invited to the West Middle School 6th Grade Academy for a teacher-designed, informative orientation to help ease the transition into middle school. The parent/guardian session is scheduled for August 12, 2019 at 5:45 p.m. (following Move-In night).

Students will attend their own sessions as part of their regularly scheduled day on Wednesday, August 14 and Thursday, August 15.

West Middle School officials are looking forward to seeing students at this successful sixth annual event, and they hope to answer any questions or concerns parents/guardians may have.
