

**West Middle School student Zach Boswell is the winner of the Dream Home project!**

**Cortney Sheid's students had to create a floor plan for their dream home. The class partnered with Chris Henderson, Ponca City Development Authority Director. Five students were chosen as finalists, and their plans were reviewed by Mr. Henderson and his wife, who is a local architect. Zach was the winner, so his floor plan was drawn up showing the front and side as an actual house.**

**Zach was very excited and said, "I liked drawing the floor plan, and she did a good job of drawing my house."**
