Woodlands PIE Partners Present Gift Cards to Students

Woodlands Elementary School's P.I.E. (Partners in Education) Partners, Blackwell Dentistry and Exploration Destination, presented four lucky Woodlands Wildcats with \$25 Walmart gift cards. Students earn "Wild Cards" for following procedures, then spending them on fun prizes and privileges. All of the Wild Cards that have been spent are periodically put in a drawing. These four students' names were drawn to win the prizes from Blackwell Dentistry and Exploration Destination.

Woodlands Principal Tim Williams said, "We appreciate the many ways P.I.E. Partners make a difference at Woodlands. They help us in so many ways by providing resources for our students and staff that we could not provide otherwise. Woodlands' other P.I.E. Partners are Equity Bank, TEAM Radio, and Albright Insurance."

P.I.E. Partners is a program created and facilitated by the Ponca City Chamber of Commerce and is a partnership between Ponca City schools and local businesses.
