

Elementary CFA

Grade: K

Subject: LA

Power Standard: Retelling a Story

Learning Target: Knowledge

Level of Rigor: II

Assessment Instructions: The class will read a story several times together. Students will then be given picture cards to place in order-one of the cards will be taken away and as students retell the story, they will have to fill in the missing part. This assessment is done orally and individually. The teacher will need to have the picture cards pre-made.

Rubric: 4) Students can place cards in order and correctly fill in the missing part. 3) Student can place cards in order but does not fill in the missing part. 2) Student can place cards in order with prompting. 1) Student cannot perform task.
