#### Message from the Principal:

Parents,

Below you will see the West Middle School school profile from the Office of Educational Accountability.

West Middle School met all required benchmarks in both 6<sup>th</sup> & 7<sup>th</sup> (see documentation below) West takes great pride in the quality of education and instruction provided to our students.

While we are pleased with these results, we are dedicated to continue efforts to increase student achievement and make West a model school in the State of Oklahoma. We will continue to implement practices to support and improve academic success.

I would also like to point out that there is an additional page included in this year's report which includes all full academic year students.

I would like to credit the teachers at our school for their dedication and hard work that they put in on a daily basis to make your student's experience at West the best it can be. I would like to also extend thanks to our parents for their support of their child's academic journey.

Sincerely,
