

Steps for Turning On Push Notifications for PCPS Ap on I Phone

When you download the PCPS ap, it will ask you if you want to allow push notifications. If for some reason you are not receiving push notifications you can enable it on your I phone by following these steps.

- 1) Open your phone settings

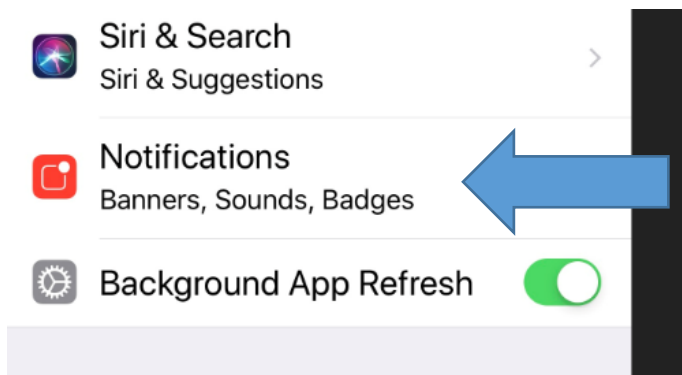

- 2) Scroll until you find the PCPS Ap Icon

- 3)

3) Click Notifications

4) Make sure Allow Notifications is on
